The Human Side of Leadership

Most Leadership Challenges Are People Challenges.

Most leadership programs focus on policies, procedures, and processes. Managers are more often challenged by:

- **Difficult Conversations**
- **Employee Development**
- **Workplace Conflict**
- **Motivation & Engagement**
- **Change**
- **Accountability**

With more than 50 years of human behavior expertise, Best Care EAP created the Management Excellence Series to help leaders confidently navigate the people side of leadership.

The Four-Part Leadership Journey

Emerging Manager

Build the confidence and credibility to successfully lead others.

People and Conflict

Address difficult conversations with confidence and professionalism.

Developing Successful Employees
