Single Session or Bundle the Series!

Management Excellence is for both members and non-members and can be a single session registration, or **the entire four-session series can be bundled for one rate.** For bundled information, please email april.epley@bestcareeap.org.

Management Excellence Training Series:

Session 1: The Emerging Manager

- Discuss challenges you are most likely to face.
- Understand in what ways your relationship with coworkers must change.
- Develop the skills you need in order to make the transition from line employee to leader.

Session 2: Developing Key Employees

- Plan and set expectations for key employees.
- Monitor and develop your key employee's skills and abilities.
- Review performance, give constructive feedback, and recognize and appreciate the work being done.

Session 3: People and Conflicts

- Learn what ignites conflict in the first place.
- Gain the courage to eliminate your fear of confrontation.
- Know how to resolve tense situations in a way that leave all team members feeling heard, respected, and motivated.

Session 4: The Human Side of Managing Change

- Gain a deep understanding of the psychological thought processes employees go through.
- Understand the value of a growth mindset and how it can help you succeed when navigating change.
- Discover which skills are vital to communicate in a way that turns resistance into trust.
