You or someone you know may be a Nebraska health service professional impacted by alcohol or substance use. If problematic use occurs and continues, professionals can find themselves in the cycle of addiction which will adversely affect their personal lives and jeopardize their professional careers.

The Nebraska Department of Administrative Services has contracted with Best Care Employee Assistance Program to provide Nebraska Licensee Assistance Program (NE LAP) services specifically for Nebraska health and health-related service licensees, certificate holders and registrants (credential holders). A variety of professional alcohol/substance
